BNP PARIBAS
The bank for a changing world

Internship Opportunities in a Range of Business Lines

Global Banking

Our Global Banking division provides sophisticated and diversified expertise in financing, cash management and financial advisory services for our clients.

Global Markets

Our Global Markets Americas division delivers market-leading solutions - from hedging and financing opportunities across every asset class, to research and market intelligence.

Compliance

Our Compliance team is grounded in a deep and abiding commitment to ensure the respect of all banking and financial regulations and protecting clients' interests, market integrity and the Group's reputation.

Technology

Our IT team aims to protect the bank, the interest of the bank, and its clients via IT Infrastructure, Cyber and Corporate Security, Operational Resilience, and IT and Operational Risk.

Risk

Our Risk team protects the bank. Risk is involved in credit decisions, market risk limits, and supervising operational risk.

Operations

Our Operations team is charged with redefining the operational platform and instilling a culture of continuous improvement.
